We eliminated a fee for sending certain online international wires and updated our Deposit **Account Agreement**

The following changes were made November 12, 2017:

- There is **no Chase fee** when you use chase com or the Chase Mobile[®] app to send a wire transfer from a checking account to a bank outside of the U.S. in a foreign currency when the transfer amount is the equivalent of USD S5,000 or more. As a reminder, there is never a Chase fee to send a wire from a Chase Private Client Checking account.
- We published an updated version of our Deposit Account Agreement. You can get the latest agreement at chase.com/disclosures, at a branch or by request when you call us. Here's what you should know:
 - We didn't change how we calculate your Available Balance but we clarified how it's defined. (Definitions)
 - We added language to explain our duty to act in good faith and with reasonable care. (General Account Terms, Section I, Rules Governing your Account)
 - We added language to explain how we would notify you if we ever transferred your account to a different business unit within JPMorgan Chase Bank. (General Account Terms, Section I, Changes to the Agreement)
